

## VFW POST/AUXILIARY COMMUNITY SUPPORT GRANT OVERVIEW

In 2015 the Veterans of Foreign Wars (VFW), through its Foundation, established the **VFW Foundation Post/Auxiliary Community Support Grant** to aid VFW Posts and Auxiliaries in their community engagement activities. To date, over 600 grants have been awarded. VFW Foundation leadership and staff are proud to assist VFW and VFW Auxiliary members with their community engagement projects and welcome a request from your Post or Auxiliary during the 2017-2018 grant cycle.

### Explanation of the Grant and Terms for the 2017-2018 Grant Cycle

- The VFW Foundation will provide up to \$1,000 to a Post and/or Auxiliary supporting local nonprofits or performing an important outreach in their community.
- The VFW Foundation grant cycle begins on September 1, 2017. Grant submissions will not be accepted before that date.
- A total of \$400,000 has been earmarked for the 2017-2018 grant cycle. Of these funds, a maximum of \$100,000 will be disbursed to applicants seeking grants for building repairs or upgrades. The remaining funds will be awarded to Posts and Auxiliaries conducting community support activities.
- Only VFW Posts and Post Auxiliaries may apply. Departments, Districts and other VFW subordinate organizations are not eligible.
- The grant application deadline is August 1, 2018, but once the \$400,000 budget is exhausted, no further grants will be made until the next grant cycle. Please apply as early as possible in the grant cycle to maximize your opportunity for consideration.

### Post/Auxiliary Eligibility

- The VFW Foundation Post/Auxiliary Community Support Grant is open **only** to VFW Posts and Auxiliaries that are in good standing with the Veterans of Foreign Wars of the United States (if a VFW Post is making the request) or the Veterans of Foreign Wars Auxiliary (if an Auxiliary is making the request).
- Applicants must have an up-to-date Election Report on file at VFW National Headquarters or VFW Auxiliary National Headquarters.
- Applicants must not be suspended or in financial arrears.
- Applicants must not have an outstanding grant report due to the VFW Foundation for grants awarded in previous years.
- VFW Posts and Auxiliaries are limited to one Community Support Grant award per grant cycle.

## **Grant Purpose and Project Eligibility**

The purpose of this grant is to provide financial support to VFW Posts and Auxiliaries for projects that increase their organization's impact on their local communities.

Eligible projects include:

- Community outreach projects, such as hosting a PTSD stand down event, providing holiday meals to the needy, and maintaining Post owned vehicles that transport veterans to medical appointments. These are just a few examples.
- Projects that support local nonprofits within a 25-mile radius of their Post. Examples include donations to a local Boy Scout Troop, Meals on Wheels, etc. The mission of the identified nonprofit does not need to be veteran or military focused, but the project outcome(s) must be focused on community improvement.
- Limited grant funds are available for repairs or upgrades to Post buildings. Please note that the grant application must clearly demonstrate how these improvements will facilitate community service projects. Posts seeking funds for such repairs or upgrades must also provide proof that they have applied for the Home Depot Community Impact grant. This requirement can be satisfied by including a copy of any correspondence from the Home Depot Foundation that demonstrates the Post has applied for their Community Impact Grant.

### Q: Can my Post and/or Auxiliary request funds for a project that was completed in the past?

No. A VFW Post or Auxiliary's request for funds to support a project that has already been completed will not be considered.

### Q: Can we submit more than one application?

All applicants will be sent a notification letter of acceptance or declination from the VFW Foundation within thirty (30) days of the submission date.

Proposals will be evaluated based on a variety of criteria such as originality, anticipated benefit, and the likelihood that the program will make a meaningful difference in your community.

### Q: If we receive a grant award, will we be required to submit a grant report?

Yes. Upon completion of the project a two-page report must be submitted, describing project outcomes and how the grant funds were utilized. Report guidelines are included on pages 7-8 of this document and will be provided with the award letter.

### Q: If we are awarded a grant, what is the time period in which the project must be completed?

Applicants are encouraged to complete their projects as soon as possible, but have until August 1, 2018 to submit a grant report. Any funds not expended after that time must be returned to the VFW Foundation. Please contact Jason Couch at [jcouch@vfw.org](mailto:jcouch@vfw.org) if your Post or Auxiliary is unable to expend all funds before the deadline.
